Parent/Family

- Practice teamwork with all parents, swimmers and coaches by supporting the values of discipline, loyalty, commitment and hard work.
- As parent, one must not coach or instruct the team or any swimmer at a practice or meets (from the stands or any other area) or interfere with coaches on the pool deck.
- Demonstrate good sportsmanship by conducting him/herself in a manner that earns the respect of my child, other swimmers, parents, officials and the coaches at the meets and practices.
- Parents are expected to keep non-swimming siblings from running around on the deck unsupervised during practice, as this is a distraction and of safety concern. Non-swimming children shall be supervised by a responsible adult while participating in any USA swimming sanctioned activity
- Parents are encouraged TO COMMUNICATE WITH THEIR CHILD'S COACH. The appropriate time is before or after practice. Communicating with coaches during practice disrupts the workout for the entire group. We want to talk with you.
- Parents are encouraged to volunteer for activities, to participate in our team fundraising, and to learn to be a USA Swimming Official.
- I, as a parent, understand that criticizing, name-calling, use of abusive language or gestures directed toward the coaches, officials, and/or any participating swimmer or their family will not be permitted or tolerated.
- Enjoy involvement in *Isle Swim* by supporting the swimmers, coaches and other parents with positive communication and actions.
- During competitions, questions or concerns regarding decisions made by meet officials are directed to a member of our coaching staff. Parents address officials via the coaching staff only.
- Young children (swimmers) shall be supervised by their parent or guardian in the locker rooms.
- Let the coach know of any other activity that involves rigorous physical activity that your child may be involved in order to prevent injury, exhaustion or illness. It is especially important to notify the Head Coach and coaching staff of any other swimming related activity and or weight training program your child is involved in. Swimmers 13 and under, are not to be involved in a weight training program.
- Provide your child with a sensible nutrition before and immediately following practice. Swimmers have a special carbohydrate, protein and calorie intake need. Soda, sugar and foods high in fats are not the best choices for a swimmer.
- Support your swimmer in attending practices regularly, plus facilitating the attendance at swim meets.
